## Detailer and Parts Assistant

### Description

**About 553 Auto Body & Collision/Super Car Restoration:** Our Company is a combination of auto body collision and repair services and classic car restoration. Our collision department works with all insurance companies to provide our customers with quality and safe repairs in a timely fashion. Our restoration department works with clients across the country to restore award-winning and nationally publicized classic cars. We are committed to excellence in quality service.

### Responsibilities

- Vehicle check-in / check-out:
  - Pre-repair car wash and vehicle check-in
  - Identification of prior, unrelated damage
  - Jockey cars around facility as needed
  - Final inspection of repaired vehicle for quality assurance – complementary vehicle cleaning and check-out
- Parts Assistant:
  - Assist with check-in parts as received
  - Assist with mirror-matching new parts to existing parts
  - Manage parts carts and part disposal
  - Maintain parts room cleanliness
  - Pick-up of parts when necessary
- Vehicle Transport:
  - Transport vehicles to various sublet appointments
  - Jockey vehicles as necessary to ensure maximum efficiency
- General Maintenance:
  - Cleaning and maintaining facility
  - Equipment maintenance
  - Cardboard and trash disposal
  - Minor outdoor maintenance
